CONSORTIUM LICENSE AGREEMENT
SAGE PUBLICATIONS, LIMITED
and
CONSORCI DE SERVEIS UNIVERSITARIS DE CATALUNYA (CSUC)

This License Agreement (the “Agreement”) is effective as of 1st January 2023 (the “Effective Date”) and is entered into by and between SAGE Publications, Limited, located at 1 Oliver's Yard, 55 City Road, London EC1Y 1SP, United Kingdom (“SAGE”), and Consorci de Serveis Universitaris de Catalunya (CSUC), a non-profit academic consortium with its principal offices located at Edifici Nexus, Carrer del Gran Capità, 2, 08034 Barcelona, Spain (“Licensee”), collectively referred to herein as the “Parties”.

In consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

I. DEFINITIONS

The following words shall have the following meanings:

“**Existing Holdings**” shall mean all institutional subscriptions to journals included in the Licensed Materials and held by the Licensee in the earlier of the year prior to the signature of this Agreement, or the year of signature of any predecessor agreement between the Parties which licensed substantially the same content for the same purpose as this Agreement.

“**Licensed Materials**” shall mean the materials that are subject to this Agreement and shall consist solely of the electronic information published by SAGE as set forth on Exhibit 1 attached hereto and incorporated herein by reference. “Licensed Materials” does not include any additional journals, publications, or other content not identified on Exhibit 1.

“**License**” shall mean the non-exclusive, non-transferable license to access and use the Licensed Materials and all updates related thereto via Sage Journals (“SJ”), SAGE’s online delivery platform.

“**Authorised Users**” shall mean individuals who are authorised by the Licensee to access the Licensee’s information services whether on-site or off-site via Secure Authentication and who are affiliated to the Licensee as a current student (undergraduates and postgraduates), member of staff (whether on a permanent or temporary basis), alumnus or contractor of the Licensee. Persons who are not a current student, member of staff or a contractor of the Licensee, but who are permitted to access the Licensee’s information services from computer terminals within the physical premises of the Licensee [“Walk-In Users”] are also deemed to be Authorised Users, only for the time they are within the physical premises of the Licensee. Walk-In Users may not be given means to access the Licensed Materials when they are not within the physical premises of the Licensee.

“**Intellectual Property Rights**” shall mean patents, trademarks, trade names, design rights, copyright (including rights in computer software and moral rights), database rights, rights in know-how and other intellectual property rights, in each case whether registered or unregistered and including applications for the grant of any of the foregoing and all rights or forms of protection having equivalent or similar effect to any of the foregoing which may subsist anywhere in the world.

“Reasonable Amount” shall mean an amount of the Content consistent with enabling the Purchaser or an Authorised User to make efficient non-commercial use of the Content.

“Commercial Use” shall mean use for the purpose of monetary reward (whether by or for the Licensee or an Authorised User) by means of the sale, resale, loan, transfer, hire or other form of exploitation of the Licensed Materials. For the avoidance of doubt, neither recovery of direct cost by the Licensee from Authorised Users, nor use by the Licensee or Authorised Users of the Licensed Materials during research funded by a commercial organization is deemed to constitute Commercial Use.

“Educational Purposes” shall mean for the purpose of education, teaching, distance learning, private study and/or research.

“Fees” shall mean the fees as set out in Exhibit 3.

“Secure Authentication” shall mean access to the Licensed Materials by Internet Protocol (“IP”) ranges or by another means of authentication agreed between SAGE and Licensee from time to time.

“Eligible Corresponding Authors” means teaching and research staff employed by or otherwise accredited to the Institution as well as students enrolled or accredited to the Institution who are also the corresponding author of an article published in an Offered Title.

In case of articles published by multiple authors, only the corresponding author will be the Eligible Corresponding Author.

It is not permitted to change the corresponding author of an article after peer review from an in-eligible author to one accredited to the Institution to qualify as eligible.

Authors are only Eligible Corresponding Authors once they have signed the then current open access publishing agreement with SAGE.

“Eligible Articles (Gold)” means:

Articles entered into SAGE’s production system, for a gold open access journal that is part of the Licensed Materials for Gold Open Access Publishing (as detailed in Schedule 1: part A) and are classified as “Article”.

“Article” includes but is not limited to: Original Research Papers, Review Papers, Brief Communications, Short Reports, and Case Reports.

Articles entering SAGE’s production system after commencement of this agreement and during the term of this agreement

Articles published as part of commercially sponsored supplements, errata, book reviews, editorials, published abstracts, call for papers, news items or similar are excluded from this service.

Articles already in the SAGE production system at commencement of this agreement; articles entering the SAGE production system outside the term of this agreement are excluded from this service.

“Open Access Article” means articles or other published content that is accessible or submitted on the basis that it will be accessible on an open access basis.

II. GRANT OF LICENSE

SAGE hereby grants to Licensee a License to access and use the Licensed Materials and all updates thereto via SJ in a manner consistent with the Agreement. Should SAGE lose the right to license any of the content comprising the Licensed Materials during the term of the Agreement, SAGE shall, at its sole discretion and as business needs dictate, replace the content with similar content.

This License extends to Licensee’s Authorised Users. The Licensed Materials may be networked throughout the

geographic areas of Licensee and may also be made available remotely through secure access procedures that Licensee establishes.

III. PROPRIETARY RIGHTS IN THE LICENSED MATERIALS

Licensee acknowledges and agrees that (i) the Licensed Materials are proprietary to SAGE, (ii) the Licensed Materials shall remain the exclusive property of SAGE, and (iii) the Licensee and the Authorised Users have no rights in or to the Licensed Materials other than as set forth herein. The Licensed Materials are copyrighted by SAGE, or third-parties designated in individual journals, and all rights are reserved by SAGE. Licensee shall not duplicate, distribute, sell, commercially exploit, create derivative works from, or otherwise make available the Licensed Materials or information contained therein, in any form or medium, to any third party.

IV. FEES

Licensee shall be invoiced for the Licensed Materials as noted in Exhibit 3. All fees are due and payable by Licensee thirty (30) days after the date of invoice.

Scholarly Sharing. Authorised Users may transmit to a third-party colleague in hard copy or electronically, minimal, insubstantial amounts of the Licensed Materials for personal use or scholarly, educational, or scientific research or professional use but in no case for resale or commercial purposes. In addition, Authorised Users have the right to use, with appropriate credit, figures, tables and brief excerpts from the Licensed Materials in the Authorised User's own scientific, scholarly and educational works.

Inter-Library Loan. The Licensee shall be permitted to use Reasonable Amounts of the Licensed Materials to fulfill occasional requests from other, non-participating institutions, a practice commonly called Inter-Library Loan. Customer agrees to fulfill such requests in compliance with the Copyright, Designs and Patents Act 1988 Ch. 48, s.

41 (Eng.), as amended by European Directive 2003, and any other applicable law relating to the physical and digital reproduction and distribution by Libraries of copyrighted works.

The electronic form of the Licensed Materials may be used as a source for ILL. Only secure electronic transmission such as used by Ariel or Prospero to fulfill ILL requests is permitted. Participating Libraries agree that copyright notices will be sent on all ILL transmissions. Fulfillment of Loansome DocR service requests is permitted. For the avoidance of doubt, the Content may not be used by the Purchaser or Authorised Users in any form of activity competitive with SAGE.

VI. RIGHTS TO PUBLISH OPEN ACCESS MATERIAL WITHIN GOLD OPEN ACCESS JOURNALS (SCHEDULE 1: PART A)

In consideration for SAGE agreeing to permit Eligible Corresponding Authors to publish Eligible Articles (Gold) as Open Access Material in the Offered Gold OA titles listed in Schedule 1: part A based on the terms of this License, the Institution agrees to pay the License Fee.

Responsibilities of SAGE

SAGE agrees to publish the Eligible Articles (Gold) as Open Access Material in accordance with the provisions of License Schedule Y and payment of the discounted APC by the Eligible Author or their nominated bill-payer.

SAGE agrees to offer the Eligible Author a discount of 15% on the list rate APC applicable to the Eligible Article (Gold). For the avoidance of doubt, this discount cannot be combined with any other discount available to the Eligible Author (for example, but not limited to, society membership discounts, introductory offers or APC waivers). In the case of multiple discount rates being available for the Eligible Article (Gold), SAGE will honor the single greatest discount available to that Eligible Article (Gold).

Responsibilities of the Institution

The Institution agrees to inform Eligible Corresponding Authors that this License is in place and that their Eligible Articles (Gold) can be made Open Access Material on acceptance in the Gold OA Journals listed in Schedule 1: part A.

The Institution shall ensure that SAGE is provided with accurate and up to date information for use in identifying Eligible Corresponding Authors as specified in Sub-License Schedule Y.

All parties acknowledge that while the Institution has financial obligations toward SAGE, that the Institution is in no way involved with the editorial process.

Nothing herein contained shall oblige SAGE to publish any article submitted to SAGE by an Eligible Corresponding Author. The Institution acknowledges that the selection of material to be published on the SAGE Platform is entirely at the discretion of SAGE. The Institution waives any claim it may have against SAGE if SAGE refuses or declines to publish any material (or part thereof) submitted by an Eligible Corresponding Author.
