Barcelona, September 21<sup>st</sup> of 2023

To the attention of Alberto Font de Juan

Dear Sir/Madam,

We are pleased to inform you that the award procedure regarding the contract for SOFTWARE LICENSES FOR VISUALIZATION, INTERPRETATION AND IN SILICO PREDICTOR SOFTWARE FOR THE HEREDITARY CANCER GENETICS A RESEARCH GROUP OF THE ACCREDITED IIS CENTER OF THE FUNDACIÓ HOSPITAL UNIVERSITARI VALL HEBRON – INSTITUT DE RECERCA (VHIR) has been initiated through the negotiated procedure without advertising provided for in Article 168. d) of Law 9/2017, of 8 November, on Public Sector Contracts (hereinafter, LCSP).

In accordance with the provisions of the LCSP, you are invited, as exclusive supplier to meet this need of VHIR, for the referred contracting procedure, requesting you, consequently, by means of the present, the presentation of the corresponding proposal, as well as the accreditation of the fulfillment of the requirements demanded in the Specific Administrative Clauses and in the rest of the documentation that is contractual in nature.

You are hereby informed that Clause 13 of the Specific Administrative Clauses Specifications establishes the manner in which the negotiation shall be carried out and the points on which it shall be based, to wit:

- Unit price of the software license.
- Training course for users on new applications of the software

In order to be able to prepare your proposal, you are hereby informed that the following documentation will be sent to you by e-mail:

- This Particular Administrative Clauses Sheet.
- Appendix N° 1 (PCAP)
- Technical Specifications.
- Standard Contract

You are also informed that the maximum date and time foreseen for the presentation of the proposal is October 06<sup>th</sup> of 2023, at 11:00 a.m., through the electronic bidding tool, Digital Envelope, integrated with the Public Contracting Services Platform of the Generalitat de Catalunya.

Without further ado,

**CONTRACTING ORGANISM**

**Sra. Montserrat Giménez Prous**
