	Description	Price
Base-Fee Web	CMP (" Advanced " - " Web ") for any number of domains ¹ of UPC incl. 1000000(1million) of sessions ² per month	650 Eur /month

With your signature you place the order and accept our [Usercentrics General Terms and Conditions](#), our [Data Processing Agreement](#) and our SLA. The SLA is attached to this offering in a separate appendix.

The contract period begins on 01.09.2024.

Terms of Payment: Within 30 days of invoicing, strictly net plus statutory sales tax, if applicable.

Confidentiality: The signatory is obliged to maintain secrecy about all confidential matters - in particular, content, agreed conditions, etc - during and after the end of the cooperation. Particular care is taken to ensure that the aforementioned data and information is not viewed or passed on by employees, freelancers, other third parties or family members. The undersigned is liable for all damages resulting from this type of breach of confidentiality as if they were at fault.

Date, Signature

09.05.2024, Donna Dror, CEO

¹ Domain: Corresponds to a main domain (e.g. XY.com) or a Usercentrics SettingID;
Example 1: domain-1.de, domain-1.com and domain-2.com correspond to 3 main domains.
Example 2: The creation of 3 SettingIDs with different settings for 3 subdomains corresponds to 3 domains

² Sessions: Total number of sessions per month, across all domains and devices. A session is the length of time a user actively uses the website or app. By default, once a user is inactive for at least 30 minutes, any subsequent activity is attributed to a new session. If a user leaves the website and returns within 30 minutes, no new session is recorded, but the original session continues.
