

**RESOLUTION EXCLUSION OF THE TENDER UNDER PROCEDURE NUM. 2025-031
RELATING TO THE SERVICE OF DNA AND RNA SEQUENCING AND SPECIALIZED
BIOINFORMATIC ANALYSIS FROM TUMOR SAMPLES AND WHOLE BLOOD IN THE
FUNDACIÓ HOSPITAL UNIVERSITARI VALL HEBRON - INSTITUT DE RECERCA (VHIR).**

Proyecto "PI23/01045", financiado por el Instituto de Salud Carlos III (ISCIII) y cofinanciado por la Unión Europea.

2025-031 DNA AND RNA SEQUENCING (PI23/01045)

BACKGROUND

I.- Ms. Montserrat Gimenez Prous, in her capacity as Manager of the Vall Hebron University Hospital Foundation - Research Institute (VHIR), and as the contracting body of the aforementioned entity, called for an open procedure relating to of service of Next generation sequencing service and data analysis and report including DNA and RNA sequencing from human tumour samples, paired with sequencing of peripheral blood samples as a control sample by the Project PI23/01045 titled "*Plataforma integrativa multiómica para la identificación de biomarcadores predictivos de respuesta a quimioterapia e inmunoterapia en cáncer de mama triple negativo temprano (PORTRAIT-TNBC)*" of the Fundació Hospital Universitari Vall Hebron - Institut de Recerca (VHIR), funded by Instituto de Salud Carlos III (ISCIII) and co-funded by the European Union, by means of announcements to the VHIR Contracting Party Profile and to the Public Contracting Platform of the Generalitat de Catalunya on 16th July of 2025.

II.- On 11th August of 2025, the Contracting Committee was constituted and proceeded to the examination and qualification of the administrative documentation of the bidding companies.

III.- On 18th of August of 2025, the Contracting Committee was constituted to the opening of the envelope containing the documentation related to the award criteria evaluated by means of a value judgment.

IV.- Prior to the Opening of Envelope No. 3, the bidders have been notified through the entity's Contractor Profile, the result of envelopes No. 2, which contain the award criteria to be weighted by a value judgment, the result of which, and according to the technical evaluation report dated on 29th of August of 2025, as follows:

V.- On 3rd of September of 2025, the Contracting Committee opened the envelope relating to the economic offer and the automatic criteria (Envelope No. 3), and the Contracting Committee proposed to require the bidding company EDINBURGH GENETICS LIMITED to submit the supporting documentation in relation to the components of their presumably abnormal or disproportionate economic offer, which must be completed within a period of 5 working days.

VI.- On 21st of September of 2025, the bidder EDINBURGH GENETICS LIMITED submitted the document related to the justification of the abnormal or disproportionate offer.

VII.- On 26th of September of 2025, the responsible emitted Technical Reports on the evaluation of the presumably abnormal or disproportionate proposals whereby it is stated that the documentation provided does not justify the financial proposal.

VIII.- On 29th of September of 2025, the Contracting Committee PROPOSE TO EXCLUDE the bidder company Edinburgh Genetics Limited for non-justification of the abnormal or disproportionate proposal.

For the foregoing reasons

AGREES,

FIRST.- EXCLUDE the company **EDINBURGH GENETICS LIMITED** of the present tender process relating to the service of Next generation sequencing service and data analysis and report including DNA and RNA sequencing from human tumour samples, paired with sequencing of peripheral blood samples as a control sample by the Project PI23/01045 titled "*Plataforma integrativa multiómica para la identificación de biomarcadores predictivos de respuesta a quimioterapia e inmunoterapia en cáncer de mama triple negativo temprano (PORTRAIT-TNBC)*" of the Fundació Hospital Universitari Vall Hebron - Institut de Recerca (VHIR), funded by Instituto de Salud Carlos III (ISCIII) and co-funded by the European Union, for non-justification of the abnormal or disproportionate proposal.

SECOND.- TO NOTIFY the exclusion of the company from the tender procedure in question, to the company **EDINBURGH GENETICS LIMITED**

THIRD.- TO PUBLISH this agreement in the profile of the contracting party on the website of the Vall Hebron University Hospital Foundation - Research Institute (VHIR) www.vhir.org, as well as in the profile of the contracting party, which appears on the Public Contracting Platform of the Generalitat de Catalunya <http://contractaciopublica.gencat.cat>.

Against this resolution, the interested parties may lodge a special appeal in matters of contracting before the contracting body or the Catalan Public Sector Contracts Court, within 15 working days from the day following the day after its notification is sent, in accordance with article 44 of Law 9/2017, of 8 November on Public Sector Contracts.

Alternatively, they may lodge a contentious-administrative appeal before the Contentious-Administrative Chamber of the High Court of Justice of Catalonia, within two months of the day following notification, in accordance with the provisions of article 46.1 of Law 29/1998, of 13 July, regulating contentious-administrative jurisdiction.

Barcelona, at the date of digital signature
